

COMMUNICATION POLICY FOR AREA AND PRESCHOOL

The Wa Ora Montessori School Board of Trustees/Council will take all practicable steps to consult and communicate with whānau (families) and prospective whānau.

The principal is delegated the responsibility and shall ensure an open dialogue is maintained with all stakeholders within the school community and they are kept appropriately informed of developments within the school that affect them. This will include:

- Comprehensive consultation and communication with the community where major changes within the school are mooted or information is needed to be disseminated.
- The gathering of information, consultation and communication with the Board/Council when a significant sector of the community requests changes or expresses concern.
- The provision of a forum for the informative exchange of views when issues resulting in divergent community views are experienced.
- Informing the Board/Council of issues that may arise that have potential for community/school conflict.

The principal is delegated the responsibility for communication and will do this through developing the following procedures:
